Re: *United States v. Kevin Rolle, Jr. 20 cr. 594 (AJN)*

Dear Judge Nathan:

I represent Kevin Rolle, Jr. in the above-referenced matter. The defense filed a motion for Reconsideration of this Court's Detention Order on May 20, 2021. The Government filed Opposition papers on May 23, 2021. I request a thirty (30) day adjournment of tomorrow's detention hearing.

Mr. Rolle is unwell and does not wish to appear, in person, at tomorrow's conference. There is insufficient time to arrange a video or telephone conference. The nature of Mr. Rolle's illness is unclear, and I don't want to schedule a conference at a time when he is unable to be present and or actively participate. Nor do I think it wise to proceed in his absence tomorrow. The Government does not oppose this application. The parties will notify the Court if a hearing can proceed at an earlier date. The parties do not want this Court to decide this matter without the benefit of a hearing.

Please contact me if you have any questions or concerns.

Sincerely,

s/Marlon G. Kirton
